NUMERACY
PROFESSIONAL
DEVELOPMENT

HIGH QUALITY,
HANDS-ON, PRACTICAL
SESSIONS DESIGNED
FOR MATHEMATICS
LEADERS AND F-6
TEACHERS.

Facilitated by
Dr. Angela Rogers
& Dr. Bern Long

+ Angela and Bern have extensive experience consulting in key areas of the mathematics curriculum. Both are knowledgeable and passionate presenters keen to share their research and classroom expertise.

÷ Angela completed her PhD looking at place value in 2014 and has created the app 'Zero Our Hero' from her research. She currently lectures at RMIT University.

× Bern completed her PhD in mental computation and problem solving in 2017. She is a Numeracy Leader at Glowrey Primary School.

developing a
whole school approach to...
